Subject: Thank you

**Howdy there,**

**We just wanted to sincerely thank you for your professionalism yet casual approach to our wedding day. You have absolutely no idea how much this mean's to us, to have such a relaxed photographer that was not only realistic but was willing to travel so far in order to make our day so special and help us create our memory of this special day forever.**

**You have made us realise that memories are so easy to make, yet are defiantly too hard to remember without someone capturing the moment.**

**We have been hoping to email you sooner to show our gratitude, we have had a little bad luck since Christmas and you have no idea how hard it is to put "thank you" into words that express absolute graciousness.**

**Ben you are an absolute genius and the world should now it, but you are only one person and there's only so much of you to go around!**

**We are so pleased to have shared even the smallest part of you on our wedding day.**

**The say the wonders of the world are those things that are yet to be found, I guess you are one of them, but let's keep it our little secret!!!!!!!**

**THANK YOU SOOOOOOOOOOOO Much from the bottom of our hearts.**

**We hope you and Jo had a wonderful Christmas and have shared the best New Years together. Time to relax maybe????**

**Again thank you deeply, we can't wait to see the photos. You can rest assured that if we are asked who our photographer was for our special day, We would undoubtedly recommend you.**

**Cheers**

**Love and Happiness**
